NOTE: This report was used because the EL30A data was either not available or did not match the certified totals for this election. The Certified Totals shown above were obtained from the detail.xml file available on the results by county page on the SCVotes.org web site. On the web page: Results & Statistics > Election Results > Primaries & General Elections > 2010 General Elections

Any manual entries shown on this report are supported by the Manual Entry Log (EL68).

WARNING: This audit indicates that audit data is missing.

Auditor's Comments: Missing audit data; Cottageville, Maple Cane, Peebles, Petits, Round O, Rice Patch, Ruffin, Walterboro #1, Walterboro #3, Wolfe Creek and Edisto Beach.

There were manual entry errors discovered in the initial audit of this county and reported on January 31, 2011. In the process of making the manual entries that resulted in inflated vote totals, the county election commission did not make any changes to the Ballots Cast totals in the vote tabulating computer. That is why this ballot level audit does not uncover the same errors as the audit reported on January 31, 2011.
