Richard Certified Ballot Audit Report

Grand Total:                    119127    111759    8430       65       -1127

NOTE: This report was used because the EL30A data was either not available or did not match the certified totals for this election. The Certified Totals shown above were obtained from the detail.xml file available on the results by county page on the SCVotes.org web site. On the web page: Results & Statistics > Election Results > Primaries & General Elections > 2010 General Elections

Any manual entries shown on this report are supported by the Manual Entry Log (EL68).

WARNING: This audit indicates that PEB data is missing.

Auditor's Comments: In Ward 21, 3 machines (5120652, 5135715 and 5136586) were opened and closed with PEB 152732 and the other three (5134730, 5138357 and 5139525) were opened and closed by PEB 153090. CEC staff failed to recognize that only three of six machines sent to the precinct were represented on the Totals Tape and in the results uploaded to PEB 153090. As a result, the votes from only the three machines closed with PEB 153090 were included in the certified vote totals. 355 ballots were not certified.

In the Bluff Precinct only 2 (5131255 and 5133311) of the 8 machines assigned to the precinct were closed on election night. The other 6 machines (5121076, 5135064, 5136068, 5137738, 5137832 and 5138461) were not closed until 11/02/2010, after the certification process was completed. 772 ballots were not certified.
