NOTE: Any manual entries shown on this report are supported by the Manual Entry log (EL68).

Auditor's comments: Machine 5046420 in the Central II Precinct went down before it could be closed. A PrintElect technician extracted the votes from that machine and they were manually entered. That is why the ballots counts in the EL155 and EL152 do not match the EL30A below.

EL30A iVo to EL155 to EL152 Cross Check and Cancelled Ballots.

</table>

**Auditor's comments:** Machine 5046420 in the Central II Precinct went down before it could be closed. A PrintElect technician extracted the votes from that machine and they were manually entered. That is why the missing audit data message appear above.
