### **Photo ID – What U.S. House District 1 Voters Need to Know**

**COLUMBIA, SC** (March 13, 2013) – Voters need to be aware of new rules for providing photo ID at the polls in the March 19 Primaries for U.S. House of Representatives District 1. Under new rules that took effect on January 1, 2013, all voters will be asked to provide one of the following types of Photo ID at their polling place:

- S.C. Driver's License
- S.C. DMV Identification Card
- S.C. Voter Registration Card with a Photo
- Federal Military ID
- U.S. Passport

**Voters who already have one of the IDs above are ready to vote.** They need to be sure to bring their ID with them to their polling place.

**Voters who forget to bring their ID with them to vote may vote a provisional ballot** that will count only if they show their Photo ID to the county election commission prior to certification of the election. County election commissions will certify the U.S. House District 1 Primary on Thursday, March 21. Check locally for specific meeting times.

**Voters who don't have a Photo ID can make their voting experience as fast and easy as possible by getting one before voting.** Voters can get a free Photo ID from their county voter registration office by providing their name, date of birth, and last four digits of their social security number.

**Voters who can't get a Photo ID must bring their non-photo voter registration card (old card without photo) with them to the polls.** They will be allowed to vote after signing an affidavit stating they have a reasonable impediment to obtaining photo ID. The reasonable impediment could be a religious objection to being photographed, a disability or illness, work schedule, lack of transportation, family responsibilities or any other obstacle the voter finds reasonable.
